

# Directory

of non-denominational Churches of Christ in Australia  
Updated June 2020

This directory is a service to facilitate communication and fellowship among non-denominational Churches of Christ in Australia. Given the self-governing and organic nature of congregations, this directory isn't an exhaustive or authoritative list. Also, church addresses and other details can change quickly and the directory relies on regular updates to stay current. So, if you've got updated information, please share it with us ([enquire@klesis.com.au](mailto:enquire@klesis.com.au)). Similarly, if you're visiting congregations and using this directory then it's a good idea to confirm meeting times and venues beforehand. On our part, we'll try to update the directory at least annually by personally checking with each of the congregations listed to see if any details require updating.

What can you expect when you visit one of these congregations? To the best of our knowledge, the churches included in the directory share some common practices and convictions. In their Sunday gatherings, they pray, partake of the Lord's Supper, sing a cappella, take up a freewill money offering, and study the Scriptures. They eschew denominationalism.

They uphold the biblical view of marriage between male and female as honourable and life-giving. They support a complementarian view of gender roles with males leading in public worship. They seek to live ethically and be faithful stewards of creation. And, like all God's people through millennia, they encourage each other to do what is right, love mercy, and walk humbly with the Creator.

This directory is a service to facilitate communication and fellowship among non-denominational Churches of Christ in Australia. Given the self-governing and organic nature of congregations, this directory isn't an exhaustive or authoritative list.

Also, church addresses and other details can change quickly and the directory relies on regular updates to stay current. So, if you've got updated information, please share it with us ([enquire@klesis.com.au](mailto:enquire@klesis.com.au)). Similarly, if you're visiting congregations and using this directory then it's a good idea to confirm meeting times and venues beforehand. On our part, we'll try to update the directory at least annually by personally checking with each of the congregations listed to see if any details require updating.

What can you expect when you visit one of these congregations? To the best of our knowledge, the churches included in the directory share some common practices and convictions. In their Sunday gatherings, they pray, partake of the Lord's Supper, sing a cappella, take up a freewill money offering, and study the Scriptures. They eschew denominationalism. They uphold the biblical view of marriage between male and female as honourable and life-giving. They support a complementarian view of gender roles with males leading in public worship. They seek to live ethically and be faithful stewards of creation. And, like all God's people through millennia, they encourage each other to do what is right, love mercy, and walk humbly with the Creator.

*"He has shown you, O mortal, what is good.  
And what does the Lord require of you?  
To act justly and to love mercy  
and to walk humbly with your God."  
(Micah 6:8, NIV)*
